

# PRIVACY AND LANGUAGE TECHNOLOGIES AAAI FALL SYMPOSIUM

**November 17-19, 2016**  
**The Westin Arlington Gateway**  
**Arlington, Virginia**

Topics of interest include but are not limited to:

- **Analysis of privacy policies and related legal documents**
- **Semantics of privacy practices and regulations**
- **Privacy for users of online social media**
- **Language-sourced ontologies and knowledge bases for privacy**
- **Privacy in dialogue systems**
- **Privacy in speech and spoken language processing**
- **User studies of privacy-supportive language technologies**

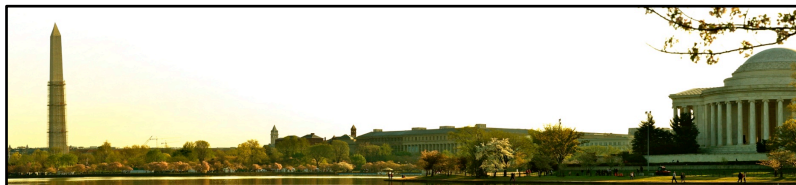

Submissions may take the form of:

- **Long papers (5-8 pages in AAAI format, including references) for oral presentation**
- **Short papers (up to 4 pages in AAAI format, including references) for poster presentation**

Proceedings will appear as a technical report in AAAI's digital library.
